152 000 TILT'N GO

The Tilt'N Go is very simple to use. Simply deposit 1, 2 or 3 cans in the Tilt'N Go, bore the cover with one or more holes, depending on the viscosity of the product with the provided punch and tilt the cans to pour product. When finished or if you want to stop, simply return to the raised position. A clean and efficient way of applying glues, adhesives, primers, re-saturates, etc.
